FIU PLANS BUSINESS BUILDING GROUNDBREAKING

Florida International University's College of Business Administration is to host a groundbreaking ceremony to begin construction of a new \$45 million building complex.

The complex is to house the Alvah H. Chapman Jr. Graduate School of Business and select undergraduate programs in the R. Kirk Landon Undergraduate School of Business.

The groundbreaking is to be at 10 a.m., Nov. 18.

The site is 11200 S.W. Eighth St., in Miami.
