## FIU Ranked Among The Best For International Business Program

POSTED: 12:52 pm EDT September 4, 2008  
 UPDATED: 1:09 pm EDT September 4, 2008

MIAMI -- Florida International University's College of Business Administration earned a spot in the top 15 in the category of international business programs in U.S. News and World Report's "America's Best Colleges 2009."

The 11th-place ranking marks the fifth consecutive year the college has landed in the top fifteen in the category.

"These impressive rankings show the success of the efforts of our students, faculty, and staff," said Joyce J. Elam, executive dean of the business school. "The rankings also give us the motivation to continue the momentum of strengthening the programs, services, and opportunities we offer in the international business area. We are very excited to have maintained our rank in this indicator of excellence this year."
