

## F-1 Student Transfer Form

All F-1 student applicants transferring from a U.S. institution to FIU or being admitted from FIU's English Language Institute or from another FIU degree-seeking program must complete this form. As part of the admission process, your F-1 visa status must be verified with your current institution, including high school and English language program. Complete Section I and give this form to your international student advisor at your current/previous institution along with a copy of your admissions notification. Your international student advisor at your current/previous institution will compete Section II of the form and should return it to College of Business Global Operations by email at cobglobal@fiu.edu,

The form must include a specific release date in order to transfer your I-20; the form will remain incomplete without it.

We cannot issue your I-20 for transfer until your SEVIS record has been released from your current institution and until we receive the completed Transfer Form verifying your status. Issuance of the I-20 takes a couple of weeks after the release date. **DO NOT plan to travel without arranging to receive a new I-20 from FIU prior to traveling, as you will not be allowed to reenter the U.S. on your previous I-20.** 

If you are currently out of status, FIU will issue you a new initial I-20. You will be required to pay the SEVIS fee related to the new I-20 and leave the U.S. to reenter on the new I-20. It is <u>not</u> suggested to make new entry into the United States by way of the Caribbean. Taking a cruise is also not a viable reentry option. You may also be required to receive a new F-1 visa, in the case that your F-1 visa is expired.

**Note:** All authorized employment at your current/previous institution and/or any remaining OPT employment authorization based on your current/previous degree program will end once your SEVIS record has been released to FIU.
