

If you are like most PMBAO students, then you are probably a working adult, and maybe it has been some time since you took a college-level class. Have no fear! There are numerous tutoring and additional resource options available to students that we are aware of, should you need them. The first point of contact regarding assistance should always be the professor or academic coach. Additional tutoring information that may be helpful, can be found below:

<b>FINANCE:</b>	<a href="http://www.brainfuse.com/login">www.brainfuse.com/login</a>

**Additional Information:**

- Open Educational Resources (OER) also provides students with some resources that may be of assistance in understanding some of the course material. OER are teaching and learning materials that are freely available online for everyone to use, whether you are an instructor, student or self-learner.
  - Below, please find a link to some of their open resource for financial accounting. However, please note that they have various open resource material for various

subjects. You can browse the subjects on the navigation menu to the left of the page:

<http://www.oercommons.org/courses/financial-accounting/view>

- Please also know that the Division of IT has launched LinkedIn Learning, an online learning platform enabling students to discover and develop skills through an online library of high-quality expert-led videos.
  - To start using LinkedIn learning, log in using your FIU username and password at:  
<https://linkedinlearning.fiu.edu/>
  
- The Student Affairs department may also have tutoring services that may be of assistance to you, should you need it. They service both graduate and undergraduate students.
  - Please visit their site for more information at: <https://studentaffairs.fiu.edu/get-involved/social-justice-and-inclusion/tutoring/index.php>
  
- Natural Reader: Natural Reader offers a service that allows students to listen to e-books, class notes, PDF files, webpages, etc. This can help students with on the go reading and multi-tasking: listen to your eBooks while walking, running or commuting. It also offers those with any challenges such as: dyslexia, reading challenges or visual impairment. Said feature converts text to speech or audio files for students to listen to and can be synced to multi-devices: iPhone, iPad, android devices, etc. There are different purchasing, including a free option. For more information, please visit: <http://www.naturalreaders.com/priceorder.html>
