FRESHMAN

College + Career CHECKLIST

COLLEGE SUCCESS:

- Complete Career Readiness Module at develop.fiu.edu.
- Complete career and exploration assessment through Business Career Management to confirm major decision.
- Meet with assigned advisor to discuss short- and long-term goals that affect enrollment planning such as internships, study abroad, double major, graduate school, etc.
- Create an academic success plan that includes a study-work-life balance.
- Familiarize yourself with critical resources for academic success, such as the Panther Success Network (PSN) to communicate with advising and Innovative Education and Student Success for free tutoring, reading, and test-taking skills.
- Complete Business Calculus (MAC 2233) or equivalent with a grade of C or better by 30 earned credits.
- Become a Panther2Panther peer mentee.

CAREER PATH:

- Create a preliminary resume, upload resume into VMOCK, and have it critiqued by a career advisor.
- Meet with a career advisor to learn about self-assessment strategies to help identify your career-related interests, values, skills, and personality traits.
- Log in to your Handshake account to complete your personal and academic profile.
- Attend Business Career Management (BCM) workshops.
