## College + Career CHECKLIST

### COLLEGE SUCCESS:

- Apply for College of Business scholarships.
- Explore and consider pursuing study abroad programs and joining student organizations.
- Complete a major related internship to gain practical experience beyond learning in the classroom.
- Meet with an advisor during first term to add any majors, minors, or certificates to academic record.
- Research graduate schools and admission requirements.
- Become a Panther2Panther peer mentor.
- Meet with advisor to confirm graduation semester and year and map out final courses needed to graduate on time. Make sure foreign language (FLENT/FLEX), Civic Literacy, summer enrollment, and global learning (GL) requirements are closed out on panther degree audit.

### CAREER PATH:

- Decide which industries you would like to pursue; search for and apply for internships.
- Attend BCM events, such as the Business Career Fair, employer networking, information sessions, and other events.
- Practice your interview skills with InterviewPrep and participate in mock interviews.
- Create your LinkedIn profile to network with FIU Business alumni.
- Develop and perfect your elevator pitch and networking skills for career fairs and employer events.
- Attend Business Career Management (BCM) workshops.
