## Business

The **R. Kirk Landon Undergraduate School of Business** at Florida International University serves a globally diverse population of more than 6,600 students, who understand the value of our AACSB accredited programs. As South Florida's leading business school, the College of Business is recognized around the world for our excellence in professional education, technology-driven collaboration, and research. Our leading-edge programs allow students to choose from 10 degree programs; traditional, online, or blended instruction; as well as daytime or evening classes, with courses offered at three different locations: the Modesto A. Maidique Campus, the Biscayne Bay Campus and the Broward I-75 Center in Miramar.

### **Our Degrees**

Bachelor of Accounting and Bachelor of Business Administration degrees in: Business Analytics, Finance, Human Resource Management, Information Systems, International Business, Logistics and Supply Chain Management, Management, Marketing, and Real Estate.

### **SCHOLARSHIPS**

A number of scholarship opportunities are available through the generosity of both individuals and corporations, generally ranging from \$500 to \$2,500 per year. International students are eligible for some scholarships and partial tuition waivers. For a list of scholarship opportunities visit [fiu.academicworks.com](http://fiu.academicworks.com)

### **RANKINGS**

*U.S. News & World Report* ranked the college's undergraduate international business program at No. 2 in 2023 and ranked the undergraduate program overall at No. 66 among public school programs. In 2024, *U.S. News* ranked the online undergraduate business program at No. 18 among public universities.

### **BUSINESS STUDENT ORGANIZATIONS**

Joining a student organization is one of the best ways for students to get involved during their undergraduate career. Not only will it strengthen the impact of their résumé, but it also provides access to leadership roles, internships, member-only benefits and, most importantly, networking opportunities with other like-minded students, professionals and alumni.

Current business student organizations include: Association of Latino Professionals For America (ALPFA) (honors accounting organization), Alpha Kappa Psi, Professional Co-ed Business Fraternity, American Marketing Association (AMA), Association for Information Systems (AIS), Beta Alpha Psi (international honorary organization for accounting, finance and MIS), Beta Gamma Sigma (international honor society), Delta Sigma Pi (accounting and finance), EN•ACT•US, Finance & Management Association (FMA), Future Business Leaders of America-Phi Beta Lambda, Institute of Management Accountants, International Business Honor Society, Logistics and Supply Chain Management Association, National Association of Black Accountants (NABA), Phoenician Investment Fund, Sales Society, and Society of Human Resource Management (SHRM).

**THE STUDENT LEARNING CENTER** is an academic resource available to fully admitted students. Offerings include practical workshops, self-directed learning style assessments and study templates, small group sessions, and individual consultation/tutoring.

**STUDY ABROAD** programs expose students to topics in an international setting, often with a curriculum emphasis on international business and management. Among the key locations that our students have traveled to are Australia, Eastern Mediterranean Cruise, Germany and the Czech Republic, Iberian Peninsula, London and Paris, and South Africa.

**BUSINESS CAREER MANAGEMENT** helps students gain the skills needed to be a competitive force in today's challenging job market through a broad range of services, which include: career advising and résumé review, workshops, on-campus interviews, company information sessions, career events, and career development tools and assessments.

## INTERNSHIPS

Internships provide a distinct business education learning experience that can be just as important as a strong academic record. The Business Career Management office offers guidance in determining the type of internship that will best meet students' needs and in developing a career plan.
