The MS in Health Informatics & Analytics (MSHI&A) fully online program engages students in the latest information technology and management principles to prepare them for exciting careers that leverage technology to improve healthcare quality, efficiency, and patient experience.

- Program starts in October (cohort model)
- Program fully accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM)
- GRE/GMAT may be waived with 4 years of professional experience directly related to the program
- Option to receive a Graduate Certificate in Business Analytics
- Option to receive Advanced Certificate in Global Healthcare Administration through Global Travel Program
- Build a network of highly qualified professionals and peers in the IT and healthcare industries

**PROGRAM FEES**
Tuition for the MSHI&A is $27,500 for Florida residents and $30,000 for non-residents and international students. Program requires a non-refundable application fee of $30.

*All fees are subject to change.

**APPLICATION DEADLINES**
For cohorts beginning in October, the deadline to submit an online application, supporting academic credentials, and appropriate test score is September 1st (for both, international and U.S. applicants). We encourage interested applicants to apply early as class size is limited.

To apply, visit: business.fiu.edu/apply.

Professional Development Seminars and Activities
Note: Due to the dynamic nature of the industry, we revise our courses often. For the most current course offering, refer to our website.
ADMISSION REQUIREMENTS
To be eligible for admission to the MSHI&A program, prospective students must:

1. Hold a U.S. Bachelor’s degree or equivalent from an accredited college or university.
2. A minimum GPA (Grade Point Average) of 3.0 in the last 60 upper-division credits.
3. A competitive GMAT or GRE exam score. Waiver of this requirement could be considered if applicant has at least four (4) years of professional experience related to Healthcare, Analytics, or IT content in the MSHI&A program.
4. TOEFL or IELTS exam is required if a graduate is from a non-English speaking country. He or she must have achieved a minimum score of 550 on the paper-based TOEFL, 213 on the computer-based TOEFL, 80 on the Internet-based TOEFL, or 6.5 on the IELTS exam.

APPLICATION CHECKLIST
- Graduate Application for Admission, along with non-refundable application fee of $30.
- Official transcripts from all previously attended institution(s) must be sent in a sealed university envelope, directly to the Chapman Graduate School of Business. (Not required for FIU alumni)
- Official proof of degree: Applicants with foreign educational credentials must provide a copy of the original diploma. If not in English, it must be accompanied by a translation from a recognized translation agency or a certified translator. For domestic students, a photocopy of the diploma is required if degree is not posted on official transcripts.
- Resume. Include detailed IT or healthcare experience, if any.
- Official GRE/GMAT test scores sent directly by the Educational Testing Service. Florida International University’s code is 5206.
- Statement of purpose (2-3 pages) outlining your professional goals and objectives in pursuing this degree.
- Two letters of recommendation (optional, but will strengthen your application).
- Proof of U.S. residency/citizenship.
- Florida residents: Two proofs of residency. Documents must be dated one year prior to the term you are seeking admission.
- Applicants should prepare for a possible interview with program administrators.

Only those applicants who have submitted a complete application packet will be considered. Meeting the minimum requirements is not a guarantee of admission.

*International applicants and applicants who did not obtain a degree in the U.S. must submit additional documents listed at mshia.fiu.edu
