

Guide to Endorsing a Direct PLUS Loan

If your credit decision was denied for the Graduate Plus Loan, you may still receive a Direct PLUS Loan by obtaining an **endorser** who does not have an adverse credit history. This guide has been created to assist the person who will be the endorser and/or cosigner on a Direct Graduate Plus Loan with the step by step instruction on how to complete this process online with Federal Student Aid Office. Effective 05/10/2015 the endorser of the loan will need to create an FSA ID and Password online at <https://fsaid.ed.gov/>. Once the FSA ID has been activated by the FSA you can proceed with the endorsing a graduate plus loan online.

Step 1 – Create an FSA ID <https://fsaid.ed.gov/>

Create a New FSA ID

An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.

To create your own personal FSA ID, enter answers for the questions below and select CONTINUE.

Important: When you are done click the CANCEL button to clear your data, even if you did not finish creating your FSA ID. Just closing your browser window or going to another website may not be enough to prevent other people using this computer from seeing your information until the session expires.
