Florida International University
College of Business

Where Global Thinking thrives
Advancing Business Knowledge
With more than **200** distinguished faculty members representing **40** nations, Florida International University’s College of Business, defines excellence in a new era of global business. Our faculty members are **world-class scholars**, editors and reviewers of top journals, and experienced entrepreneurs and executives with a passion for research and teaching. These **innovators** are dedicated to spreading new ideas around the world—and sharing **cutting-edge** theory in the classroom. Complementing their rigorous research and world-class teaching are numerous centers of focused inquiry and **experiential labs** and **think tanks** that provide real-world opportunities for students.
By any Measure, a World Leader in Business Research
