Become a value-driven business partner

Whether you are a seasoned HR professional or have just earned your bachelor’s degree, FIU’s Master of Science in Human Resources (MSHRM) program offers the perfect blend of skills, hands-on experience and practical knowledge you’ll need to become a true business partner to top management.

Graduates of this program typically achieve positions of increasing responsibility within an HR department, such as HR director, international human resources consultant, compensation and benefits specialist, staffing director and more.

What’s more, the MSHRM program focuses on information technology and change management in an international environment, increasing your versatility.

Florida International University is a vibrant, student-centered public research university, ideally located in Miami, that is worlds ahead in its commitment to learning, research, entrepreneurship, innovation and capital. We are prepared to succeed in a global market. One of Florida’s 11 state universities, FIU is Miami’s largest university with 50,000 students, 1,100 full-time faculty and nearly 200,000 alumni.

FIU’s College of Business, South Florida’s leading business school with unique expertise in international business, entrepreneurship and healthcare, is the largest of the university’s professional schools. Among the colleges more than 43,000 alumni, none of South Florida’s most successful business leaders, innovators and entrepreneurs. Approximately 2,600 students are enrolled in undergraduate business courses at the R. Kirk Landon Undergraduate School of Business.

Each year more than 300 graduate student study in the Havah H. Chapman Jr. Graduate School of Business. Another 1,500 participate annually in one or more of its executive education programs.

FIU’s College of Business is among the 5 percent of elite business schools worldwide accredited by the AACSB International - The Association to Advance Collegiate Schools of Business.
