FIU Business Online MBA program ranked No. 10 in the world

MIAMI (April 21, 2021) – The [Professional MBA Online](#) program at Florida International University’s College of Business (FIU Business) is ranked No. 10 in the world in the 2021 QS Online MBA Rankings, released April 21. The QS rankings, recognized among the most widely watched international university rankings, place the FIU Business program at No. 2 among all U.S. public school programs ranked. The rankings are based on such factors as academic reputation, quality and diversity of enrolled students, reputation among employers and the class experience.

“FIU Business has been a leader in online business education for more than two decades and we are delighted to be recognized among the best globally in the QS World University Rankings,” said Joanne Li, dean of the college. “FIU Business will continue to be an innovator in online business education, which is more important now than ever.”

The QS online MBA ranking follows a strong showing for other FIU Business online programs in the U.S. News & World Report online program rankings released in January. In those rankings, the college’s online undergraduate program was ranked No. 11 in the U.S. Its online specialty master’s programs were ranked No. 14.

In addition to its Professional MBA Online program, FIU Business’s online graduate programs include an [Online Healthcare MBA](#) program and online master’s programs in [accounting](#), [finance](#), [international business](#), [health informatics and analytics](#), [human resource management](#), [international real estate](#) and [marketing](#). Six Bachelor in Business Administration majors are offered online, including those in [finance](#), [human resource management](#), [international business](#), [logistics and supply chain management](#), [management](#) and [marketing](#).
