FIU Business online programs ranked among nation's best by U.S. News

MIAMI (Jan. 25, 2022) – The online undergraduate and graduate programs at Florida International University's [College of Business](#) (FIU Business) have once again been ranked among the top programs in nation by *U.S. News & World Report*. The 2022 rankings, released today, place the college's online undergraduate business program at No. 13 among public universities. The FIU Business online specialized master's programs were ranked No. 13 among public universities while the online MBA program was ranked No. 31, up from No. 41 in 2021.

“As a pioneer in online business education, we are proud to be recognized year after year among the best undergraduate and graduate online business programs,” said William Hardin, interim dean of FIU Business. “We will continue to innovate and transform our online offerings, which are as important as ever as the world faces the challenges brought on by COVID-19.”

FIU Business launched a pilot project of 10 online courses in 1999 and has continued to expand those offerings while introducing the latest technology. Its online offerings include a [Bachelor of Business Administration](#) with majors in finance, human resource management, international business, logistics and management. FIU Business's online graduate programs include the [Professional MBA Online program](#), an [Online Healthcare MBA](#) program and online specialty master's programs in [accounting](#), [finance](#), [international business](#), [health informatics and analytics](#), [human resource management](#), [international real estate](#), [marketing](#) and [logistics and supply chain management](#).
