DORAL

INTERNATIONAL BANK APPOINTS VP

The International Bank of Miami N.A. named Vianca Santana assistant vice president of the community bank lending division. She will be working out of the Doral office where her responsibilities will include new business loan development.

Prior to joining the bank, Santana was a comptroller with De Armas General Services Inc. Before that, Santana was assistant vice president and business development officer with BankAtlantic in Miami.

Santana holds a bachelor's degree in business administration from Florida International University.

The bank is based in Coral Gables and runs a banking center in Miami's Doral/Airport West area. For more information, call 305-854-8800 or visit www.tibom.com.
