Business Briefing **Survey puts FIU program in Top 10**

This week's *U.S. News and World Report* ranked Miami-based Florida International University among the Top 10 schools for international business at the undergraduate level. In its edition on America's Best Colleges 2005, the magazine also ranked the University of Pennsylvania, the University of Michigan-Ann Arbor, the University of California-Berkeley and Georgetown University among the top international business programs.
