The FIU legacy: alumni at the top of their fields

Since opening in 1972, FIU has conferred more than 100,000 degrees to some 95,000 graduates. Many of our alumni have risen to prominence in a wide variety of fields and professions. The following exemplify the excellence of FIU alumni.

Iván J. Parrón
Marketing & International Business, B.B.A. ’94

Iván J. Parrón is the founder and CEO of ritmoteca.com, the world’s first and largest online source for digital Latin music and entertainment. The Miami-based web site boasts the widest selection of Latin music, with rights to more than 200,000 digital tracks within 79 genres.
