World-class faculty embody FIU’s excellence

FIU’s faculty are known for their outstanding teaching and cutting-edge research. The following are examples of the many distinguished faculty who are renowned in their respective fields.

Irma Becerra-Fernandez
Director, Knowledge Management Laboratory
Assistant Professor, Decision Sciences

Irma Becerra-Fernandez leads the Knowledge Management Laboratory, which develops new practices and tools to capture and manage knowledge as well as systems based on artificial intelligence technologies. The unique laboratory, which has secured more than $2 million in funding from federal agencies and private industry, is conducting projects for NASA and the State University System of Florida. She received a Ph.D. from FIU.
