Aya Chacar

FIU business school adding faculty

FIU's College of Business Administration has made two faculty appointments to the department of management and international business. **Sumit K. Kundu** was appointed associate professor and **Aya Chacar** assistant professor.

Mr. Kundu was with the the John Cook School of Business at St. Louis University. Ms. Chacar was assistant professor of strategic and international business and earned a PhD in policy and organization from the University of California in Los Angeles.
